Real Weddings

What inspires you?

One thing we've learned is that couples are most inspired by other couples. That's why, every year, we gather dozens of real weddings, put on by couples with local ties, that have taken place in and around Nashville. Our hope is that they plant a few new ideas in your head—and help as you plan out your own perfect day.

"Enjoy the process! Don't stress over the little things, and stop to take it in. From picking the dress to picking the napkins, they are all memories you will hold forever."
